REV. E. HOSKYN AND WIFE CELEBRATE GOLDEN WEDDING

More Than 100 Friends Greet Couple; Also Anniversary of Work for Church

By W. F. TOWER
The home of Rev. Edward Hoskyn and Mrs. Martha P. Hoskyn, 234 North Jackson street, was the center of attraction yesterday afternoon and evening for a large number. Amidst decorations of flowers and ferns Rev. and Mrs. Hoskyn received the congratulations and good wishes of a large group of friends and acquaintances, numbering about 125, the occasion being in celebration of their golden wedding anniversary. They were assisted in receiving by their son and daughter-in-law from Los Angeles, and also by Mrs. Hoskyn's brother, Simon Price, and nephew, Asa Fickling, both of Long Beach.

Many substantial and useful gifts were received. A leather upholstered fiber rocker was received from friends from the First Methodist church, where both Rev. and Mrs. Hoskyn are active and faithful workers. Rev. Hoskyn is teacher of the Men's Bible class.

Fifty Years in Church
The occasion yesterday not only marked their golden wedding anniversary, but also fifty years of service in the church, for it was in Blairtown, Ia., fifty years ago that Rev. Hoskyn received his first appointment to preach and then he installed his bride in the parsonage.

Rev. Hoskyn celebrated his 75th birthday anniversary, September 19. He was born in Berkshire, England, September 19, 1846. Mrs. Hoskyn was born in Somonauk, Ill., in 1848. Both are enjoying good health and are looking forward to several years more of active service in civic and church circles. They have two sons, both of whom are railroad engineers and reside in California.

With Friendly Indians
Rev. Hoskyn came to this country with his parents when he was 4 years old. They settled in the young state of Wisconsin. That was in the days of log cabins and Indian wigwams, and many an evening, in company with his brother, was spent by Rev. Hoskyn with the friendly Indians.

As a young man Rev. Hoskyn attended the Wisconsin State university and later moved to Iowa. When at State Center he met the young lady who has just helped him to celebrate their golden wedding anniversary. Rev. Hoskyn was licensed to preach in 1868 and received his first appointment in 1871. He continued in the Iowa conference twelve years and then went as a missionary to Dakota, where he joined the conference which was soon formed and remained there four years.

Here for Eight Years
They came to California in 1887. Rev. Hoskyn was transferred to the California conference and served in the churches at Elsinore, Garvanza, Banning, Highlands, East Riverside, Arlington, San Jacinto, Colton and Garden Grove.
Rev. and Mrs. Hoskyn came to this city eight years ago and have made a large number of friends here. They have given freely of their services and are rejoicing in the moral and material progress of Glendale.

State Secretary for Shoe Pitchers Here on Convention Plans

George E. Krimball, secretary of the State Horseshoe Pitchers' association, called here yesterday to confer with W. H. Nicoles, 322 East Fairview avenue, treasurer of the state association, relative to the final arrangements of the program for the state horseshoe tournament to be held on the high school grounds here November 25 and 26.
The program was discussed and will be ready to announce in a few days, says Mr. Nicoles. An extensive advertising campaign with posters is arranged and it is the intention of the association to let every city having a horseshoe club participate in the tournament here, said Mr. Nicoles.

Communications received by Mr. Nicoles from Ventura and Oxnard show much interest in being shown there in the coming event and a delegation is expected to represent those two places.

Local Fire Fighters Give Evidence They Can Battle Flames

How long does it take to put a fire out?

Residents of Southern Glendale, who watched the boys from No. 2 fire station go through their monthly drill from 7 to 8 o'clock last night, under the command of Chief A. H. Lankford, are under the impression that an ambitious conflagration here wouldn't have much of a chance. This opinion was concurred in Tuesday night by spectators on East Broadway, who watched the drill of Fire Station No. 1.

Such a time as there was letting out hose, and winding up hose, and getting hose out and putting hose back and getting ready to turn on water and testing the valves and apparatus of the fire engines!

Firemen stationed in Southern Glendale are: Captain Ed Fairfield, Captain John Meyers, Jesse Wilks and Bill Gould, while William W. Dutton, Julius Moniot, Al Flanders and "Bob" Danner are volunteers. Captain Jack Rockwell and Captain Ralph Dodsworth are on duty at Station No. 1. They are assisted by George Meyers, George Blix, Dean Williams, Ed Hambley and Al Moniot, while Frank Keifer, Elgin Bishop, Ralph Meyers and Clarence Glaze are volunteers.

Christian Circle Club Has Dinner, Business Meeting

About sixty members of the Christian Circle club and their friends were present at the First Baptist church banquet room on Tuesday night, the occasion being the regular weekly dinner and social gathering of the organization. The meal, which was served at 5:30 o'clock, was in charge of the women of the First Christian church.

The usual Bible study class followed the supper, and was conducted by Miss E. Maude Soper, who is the regular Bible study teacher.

A short business meeting of the club followed the study hour in which several important measures were brought up. After a lengthy discussion on the question of the various modes of publicity that would aid the organization Miss Nell Leggett was selected to act as chairman of the publicity committee. The other members of the committee are to be chosen at a later date.

Reading Circle Holds Interesting Meeting

The regular meeting of the Mutual Benefit Reading circle, which was held yesterday at the library building, was presided over by Mrs. A. A. Barton. Mrs. C. L. Peckham spoke in behalf of the Red Cross and asked for volunteers to assist her in canvassing the territory.
Mrs. C. N. Taylor reviewed the article on "Woman and War." In this article John W. Weeks, secretary of war, said "it is the duty of women to be so well informed of their country's past history and of its present affairs that they may know instinctively whether an impending war would be just or not."
Mrs. C. H. Pendleton announced that the membership of the circle was 159.

After luncheon Mrs. H. V. Henry continued reading the book "All the Children of All the People," taking up the chapter on "Sympathetic Vibrations." In this the author stated that there is no one study or set of studies that will produce uniformly good results in all cases for all pupils. He also stated that any study is of educational value that the scholar really loves. "The end and aim of education is not to free the individual from the necessity of labor, but to fit him to do to perfection the work in this world that he undertakes to perform," he states.

LEGION EXECUTIVES MEET

A meeting of the executive committee of Glendale Post No. 127, American Legion, was held last night at the office of Attorney James F. McBryde, adjutant, and plans were formulated for presentation before the Armistice day committee tonight at the intermediate school, it being headed by Mrs. Nicoles. Commander Kiefer will place the plans before the Legionnaires at their meeting Friday night.

NEW BUILDING FOR CONGREGATIONAL CHURCH VOTED

Congregation Decides to Go Ahead Immediately; Sum of \$25,000 Pledged

Following a banquet for the members of the First Congregational church last night and a general discussion on the proposal of a new building, it was unanimously decided to build a \$60,000 church on the present site, at the northwest corner of Central and Wilson avenues.

The next step of the building committee, composed of Blake Franklin, president, Thomas White, E. D. Yard, Hartley Shaw and Charles B. Guthrie, is to complete the necessary details of the plan so that the contract can be awarded as soon as possible.

Rev. Charles M. Calderwood stated that he thought plans could be finished and all details disposed of so that actual work on the new building would begin by the first of the year.

Plan Is Outlined

Before the gathering of about 100 representative members of the congregation last night, the plan of the building committee was outlined by Chairman Blake Franklin. Perspective drawings furnished by Carleton Monroe Winslow of Los Angeles proposed a modified Spanish architecture that is in harmony with the characteristic architectural development of southern California.

The main portion of the building, fronting on Central avenue, will constitute the church auditorium with an approximate seating capacity of 700, while the requirements of the church school will be taken care of in the "parish house" portion of the building, forming the southern extension, and a well-lighted basement to be constructed under the entire building.

Complete provision will also be made for taking care of the needs of the Women's Auxiliary, the Women's Missionary Society, the Christian Endeavor, and other organizations of the church. It was stated by the (Continued on Page 5).

Mrs. Daniel Campbell Is Luncheon Hostess

The members of the 1919 Matrons' Association of Southern California, O. E. S., were entertained at luncheon yesterday at the home of Mrs. Daniel Campbell, North Highland avenue, who was assisted as hostess by Mrs. Herbert Lewis, 1919 Matron of Burbank chapter, and Mrs. Mayne Pollock, 1919 Matron of Glen Eyrie chapter. Mrs. Campbell was grand chaplain of the state of California in 1919 and is an honorary member of the Matrons' Association.

A very delightful three-course luncheon was served to the thirty-two guests present under the shade trees in the garden. Mrs. Elizabeth Wheeler, Past Grand Matron of California, and a resident of Los Angeles, was the guest of honor. At luncheon a message was read from Mrs. Elizabeth Marshall of Sacramento, who was Grand Matron in 1919. Daniel Campbell and Mr. Collins of Los Angeles were also among the guests present. After luncheon the remainder of the afternoon was enjoyed playing buncos.

The members of the association are planning to spread joy among the children at Christmas time, who otherwise would not be able to join in the holiday fun.

Miss Eva Daniels Is Law Section Hostess

The parliamentary law section of the Tuesday Afternoon club of which Mrs. Harry Greenwalt is curator, held a most enthusiastic meeting yesterday at the home of Miss Eva Daniels. The time was spent in the study of organization and rehearsing the play which will be given before the Tuesday Afternoon club December 20.

This play was written by Miss Daniels, who it will be remembered, wrote the comedy skit which was presented by the parliamentary law section at the reciprocity day at the Tuesday Afternoon club last year, and who is especially gifted for this kind of work. At the close of the afternoon delightful refreshments were served by the hostess.

WHEAT GOES BELOW DOLLAR; FIRST TIME SINCE 1916
CHICAGO, Nov. 3.—Wheat fell below a dollar on the board of trade today for the first time since October, 1916. December wheat dropped to 99½ when a large number of stop-loss orders remained uncovered. The new low price caused a strong buying movement by traders who were short and the resulting rally sent the price back over the dollar mark. Lack of speculative buying power caused the condition of the market, traders said.

SENATOR SMOOT ANSWERS REPRESENTATIVE FORDNEY

WORLD SERIES MONEY OF THREE PLAYERS HELD UP
CHICAGO, Nov. 3.—The world series money of Babe Ruth, Bob Meusel and Bill Piercy, New York Yanks, who violated the rules of organized baseball by taking part in a post-season barnstorming tour, has been held up on orders of Judge K. M. Landis. The check for each amounts to \$3,263.26. This is Landis' "ace in the hole" in his differences with Babe Ruth over the rule question and is said to be one of the reasons why the baseball commissioner has been unusually slow in making a decision in the case of Ruth, Meusel and Piercy. The situation as far as the ball players are concerned was not helped by the statement of Meusel in Chicago the other day to the effect that Judge Landis "can jump in the lake."

Laundry, Borax and Dye in Court to Wash Dirty Linen

Both followed closely after that of Hazel Dye, who was successful in winning a decree before Judge Toland.

The husbands in the three cases were Charles Laundry, Donald Borax and George W. Dye.

Mrs. Dye declared her husband also went out evenings and left her home alone.

Miss Garnet Peters Hostess at Shower for Mrs. L. Davis

Miss Garnet Peters of 209 North Orange street was dinner hostess last night at a dinner party and shower given in honor of Mrs. Lee Davis of Los Angeles, formerly Miss Lucille Wood of Glendale, by the members of the K. K. club. This is an organization of former Glendale high school girls which meets about once a week. This was in the form of a surprise party for Mrs. Davis, but she also had surprised her friends by being married Tuesday of this week, as the time was set at a later date.

The dining table was tastefully decorated in pink, with a rosebud at each place and a miniature bride for the centerpiece. After dinner the young ladies were joined by a group of young men and an evening of buncos was enjoyed.

Mrs. Davis was the recipient of many pretty and useful gifts showered upon her by her former school chums.

Those present at this happy affair were Mr. and Mrs. Lee Davis, Miss Louise Wimmer, Miss Beulah Warner, Miss Myra Johns, Miss Margaret Frazee, Miss Lois Schuyler, Miss Edith Schuyler, Miss Fern Peters, Miss Garnet Peters, Robert Hewlett, Lloyd Culver, Roland Percey, Wilbur Johns, Homer Warner, Herbert Brown, W. H. C. Ells Returns From Visit to 14 States; Boosts City

H. C. Ells, realtor with offices at 300 South Brand boulevard, who with Mrs. Ells of 206 North Louise street, left Glendale several weeks ago for an extensive motor trip, returned home yesterday after visiting fourteen states.

Along the way they advertised Glendale with a large sign on the rear of their car, reading: "My Home Is Glendale, Calif." They found everyone interested in the Golden state and Mr. Ells had a large number of circulars with descriptive reading and art work which he gave to those interested in locating here. They found the roads of Utah in bad shape on their eastward trip, rains having left little more than trails some places on the desert stretches. Iowa and Minnesota have made great strides in highway building, according to Mr. Ells, while Arizona and New Mexico need to do a great deal of work if transcontinental touring is to be enjoyed.

Indicative of the more or less rough roads encountered, Mr. Ells states he started out with four new tires, had to buy six along the way. However, the trip was profitable for it was very reassuring to Mr. Ells that Glendale is the most prosperous community in the country visited by him.

Plans to Remodel Postoffice Building Are Being Outlined

Plans for improvement of postoffice facilities in Glendale are being made today by D. Ripley Jackson, newly-appointed postmaster, and Inspector Hare, who will recommend that the present branch station be remodeled to include an additional room on the north vacated by the James W. Pearson real estate agency. John R. Grey, a local capitalist, recently acquired the building, which is leased by the government until 1923. It will be the recommendation of Mr. Hare that the 56-foot frontage of Brand boulevard be made into a lobby, thus providing additional room, lock boxes and service windows. A tiled floor and suitable fixtures also will be installed. However, this work will take time and, while it will be for the permanent convenience of the public, undoubtedly there will be a few days when service will be discontinued by the changes.

GLENDALE CLASHES WITH FRANKLIN'S TEAM FRIDAY

Local Football Squad Meets 'Enemy' on Latter's Field; Tigers' Win in Doubt

Now that their lightweight football team has jumped in the limelight by running away with the Central league championship, the students and pigskin backers of the local high school are centering their attentions on Coach Hayhurst's varsity squad, which is still very much in the running for the championship of the unlimited class. Since the team suffered the unfamiliar pangs of a 20 to 0 defeat at the hands of the South Pasadena two weeks ago it has come to light that the Tigers played a certain man who was declared to have been ineligible regarding his scholarship record. As the matter now stands the contest will either be replayed on the South Pasadena gridiron or it may be forfeited to the local squad.

League Game Tomorrow
Captain Atwood "Dutch" Dutcher and the rest of the Crimson and Black tankard performers have been grilling faithfully all week in preparation for tomorrow's league game, which will be staged with Franklin high on the latter's field. As both teams now boast of an unblemished record of all victories and no reversals, a real "he man" battle is anticipated by those who plan to witness the encounter. The game will be called at 3:45 o'clock.

At the present date the Glendale eleven is in the best shape that it has been in during the entire season. With a number of injured athletes getting back into the game after several weeks' absence and most of the others showing a daily improvement, Normal C. Hayhurst's machine has been appearing at least fifty per cent better than the aggregation which reported for practice a few weeks ago.

Forward Defense Strengthened
With the return of Elffer and Frayley, star linemen of the team, the forward defense has been strengthened until it is now on a par with the backfield. Throughout the season the line has been the apparent weak spot of the team, although it is now claimed that the group of huskies will compare favorably with any in the league. "Red" Ryan, the diminutive freshman who replaced Ray Goss at right end when the latter was declared ineligible, is rapidly becoming a star, and his three more years of first team football should cause Coach Hayhurst to chortle with glee. In the backfield Chet Green, who suffered a cracked rib in the South Pasadena brawl, will probably be seen back at his old quarter-back position. The bone has sufficiently knitted together so that the tape can be removed within a few days. Green's reappearance in the line-up will greatly aid the local's scoring combination.

Santa Monica Team and Intermediates Will Clash Friday

One of the most important soccer games of the season will take place Friday afternoon at the close of school when a picked team from the Intermediate school of Santa Monica "make roughhouse" here upon the Glendale Intermediate.

On account of the fact that both teams come from intermediate schools of approximately the same size and should be evenly balanced the game is regarded with more than usual interest by Coach A. T. Blanford and grammar school boys. A number of fans from local schools are expected to attend the game.

The Glendale lineup has not been settled positively but boys, who will play on the forward line, probably will be: Allan Lovell, "Bud" (John) Copeland, Jack Booker, Ed Bauer, Russell Lavelle and William McClammy. The fullback will be George Barlett, Fred Whittaker or Gen. Prury. Either Carl Quinn or Charles Beaman will be half back. Tom Meehan, newly discovered star goalkeeper, will participate in the game and his friends are anxiously waiting to see if he will maintain his previous excellent record.

Purchases Property Here Without Taking Single Look at It

A case of selling unsight and unseen is reported by A. J. Lucas, realty dealer, 309 South Brand boulevard.

"I had a party in Los Angeles," he says, "who wanted to buy real estate in Glendale, and when I got a good lot for sale I called him up. He said for me to go ahead and close the deal. I insisted that he come out to look at the property, but he said he wanted a lot in Glendale and would take my word for it.

"The deal has been closed and the man has not seen the property as yet, but he is sure he will be satisfied, and I believe it is a good investment. The purchaser has visited Glendale many times and the city impressed him so well that he simply wanted to purchase property at any place here."

The WORLD OVER

By FRANKLIN B. MORSE
PACIFIC SPORTS SERVICE

NEW YORK, Nov. 3.—We stated a few days ago that the number of candidates for positions on the Yale varsity crew was a new record in the annals of rowing at New Haven. Since then, Coach Jim Cordery has formed no less than thirty crews out of the available material. We doubt if ever in the history of college rowing anywhere has any coach been able to put such a fleet on the water. At least, nothing approaching it comes to mind at the moment.

The result of the invasion of American golf links by Miss Cecil Leitch, champion of England, Canada and France, is just getting on the border line of tragedy. One of the biggest surprises of the golfing season was her unexpected defeat at the hands of Mrs. P. C. Lett of Chicago, in the National championships, but a bigger surprise was afforded when Miss Glenna Collett, the nineteen-year-old champion of Connecticut, defeated the English star in the very first round of play at Philadelphia for the Berthelton Cup over the course of the Huntington Valley country club. Never in all her heretofore successful career as a golfer had Miss Leitch suffered the ignominy of being eliminated in a preliminary round. Miss Collett, who is a Providence, R. SPORTS CHATTER

Too many boxers claim championships and too many promoters advertise championship bouts. The honor and dignity attaching to a championship title are generally lost through such claims and the public is at a loss to know just "who is who" in championship realms.

Uncle Sam's navy representatives deserve a lot of praise for their recent action in vetoing a bout in Southern California which was advertised as "for the championship of the navy." The bout was arranged between Tom Cooney of the U. S. S. Nevada, the legitimate navy champion, and Steve Bliss of the U. S. S. Idaho, the legitimate champion of the Pacific fleet. The men are welter weights and met in the official navy championships at Panama last winter when Cooney won the decision. Last week a promoter decided to put the boys on for the "navy championship." Here the promoter failed to realize that a Navy title is all that is claimed to be. That such titles can only be decided on authority of the navy athletic officials and that unless proper arrangements are made and the official sanction secured from the highest officials, such a contest cannot be promoted by a civilian promoter.

There is dignity, official standing and honor to the man who wins a navy title and the same goes for the U. S. army. To allow championship events to be promiscuously promoted at any time and any place by civilians detracts from the title of the navy or army. The public will back the navy officials who put the "crusher" on the so-called title bout in Los

Intermediates and Cerritos Split Up Volley Ball Games

A very exciting double-header of volleyball was played Wednesday afternoon between teams from the Intermediate and Cerritos, at the latter's grounds. The first game, called at 3:30 o'clock, was between the "Midget" teams of the two schools, girls measuring under 4 feet 9 inches, and resulted in a score of 24 to 43 for Intermediate.

The second game followed immediately after the first, and was between the second team of Intermediate girls measuring under 5 feet 2 inches, and the "Lucky Nines" second team of Cerritos. The score was 24 to 40, in favor of Cerritos.

Harriet Light is captain of the "Lucky Nines." Pearl Mentzer, captain of the "Midgets" at Cerritos; Charlotte Harshberger, captain of the Second team, and Alice Garber, captain of the "Midgets" at Intermediate. Miss Vera Sinclair, Intermediate coach, refereed both games.

Hanford MacNider Is Chosen as Commander of American Legion

KANSAS CITY, Nov. 3.—Hanford MacNider of Mason City, Iowa, was elected by acclamation national commander of the American Legion at the close of the annual convention here. He was a "dark horse" in the election, but swept the delegates to his support after Roy Hoffman of Oklahoma City and John Williams of Joplin, Mo., withdrew from the race after being nominated.

who have watched her play, to be destined to become a National champion one of these days, and many believe that she will prove a far more brilliant performer than Miss Alexa Sterling, who until her defeat this year was the National title holder for several successive years.

The race meet which begins in Pinalco this month will have the representation of prominent stables in and about New York. After the present meet at Yonkers, N. Y., is over these horses will be shipped south for the Maryland campaign for which horsemen are now making their plans. This assures the Pinalco patrons of the opportunity of seeing the best horses in the East in action.

'Queen of Sheba' Is Spectacular, Gigantic Picture at Glendale

"Queen of Sheba," a William Fox super-special directed by J. Gordon Edwards, came to the Glendale Theatre yesterday. It will also be presented tonight and Friday, matinee and night. It created a profound impression upon the first day audiences, and bids fair to prove the most talked of photodrama of the season.

The pageantry attending the arrival of the Queen of Sheba at the court of King Solomon, which has held its place for centuries in song and story as supremely magnificent, is visualized in the picture drama in a manner completely satisfying to all.

There is scene after scene of great beauty and magnificence in "Queen of Sheba"—the marriage festival at the court of King Aramud, the arrival at Solomon's court, the day of races and games, including the chariot race between the Queen of Sheba and the Princess Vashti; the arrival of David, son of Solomon and Adonijah, and the pathetic final departure of the Queen of Sheba for her own realm.

Betty Blythe is a voluptuously royal and beautiful Queen of Sheba, and enacts the exacting role impressively, besides showing great daring and skill in the chariot race; Fritz Lieber, the noted Shakespearean actor, is an effective Solomon; Neil Craig is the Princess Vashti; George Seigmann is King Aramud, and Claire de Lorenz is Queen Amarath, wife of Solomon.

The chariot races in their thrilling realism came as a distinct surprise, bringing audible expressions of excitement and admiration from the audience.

Oriental Are Dumped Into England; Police Probe Smuggling Plot

LIVERPOOL.—The smuggling of Chinese into England on a large scale is just being investigated by the Liverpool police.

In defiance of the Aliens act and all manner of other restrictions, this practice is growing all the time, and the port authorities seem unable to discover the manner in which they are being hoodwinked. A few arrests have been made, but the smugglers find the gains so great that they willingly take the small risks.

The swindle is really of the double variety. The victims are told that plenty of places await them in England, with wages varying from \$35 to \$50 a week, and that if they have any capital their gains would be increased accordingly. In numberless cases they have handed over their entire life's savings, amounting frequently to as much as \$400, to the Chinese swindler.

Put aboard any old craft, they eventually reach England, after having been nearly starved on the voyage. There they find themselves destitute, hungry and workless.

At this point they are approached by the other partner to the swindle and offered work, at starvation wages, in Chinese laundries, boarding houses and shops. Hunger drives them to accept.

Then the partner receives a substantial premium from the owner of the particular business, and he and the agent in China divide up together.

GOVERNMENT HAS A PAPER

MADRID.—The Spanish government has gone into the newspaper business. For many years no Madrid newspapers have been printed on Monday. These are war times in Spain and the public were anxious for news. So the government decided to publish its own Monday paper, both afternoon and evening, and to call it the Monday bulletin.

Local Music Club Will Give Program Next Friday Night

EARL MANSFIELD BRIGHT
Well known as a violinist,
who is to appear on the Glendale
Music club's program on Novem-
ber 4 and also before the Tuesday
Afternoon club on December 13.

The monthly concert of the Glen-
dale Music club of which Mrs. Matti-
son B. Jones is president, will be held
Friday night, November 4, at the
high schools auditorium, beginning
at 8:15 o'clock. The artists who will
appear include Mrs. Catherine Shank
of Glendale, soprano; Earl Mansfield
Bright, violinist; Mrs. Hennion
Robinson, pianist; C. Calmon, violin.
Mr. Calmon, Russian violin virtu-
oso, has returned from eight years in
Europe, where he toured, appearing
as soloist with many of the leading
orchestras under the direction of
such famous conductors as Strauss
and Nikisch. Last season he was
soloist with the Chicago Symphony
orchestra.

Mr. Bright, violinist, bears the
reputation of being one of the best
American 'cellists now before the
public. He is prominent in Los An-
geles music circles and is a member
of the Philharmonic orchestra. For
the past two seasons he has been on
tour, playing almost every city of
consequence, and has also appeared
before the most prominent musical
clubs of New York.

Besides being heard at the Glen-
dale Music club concert this Friday
night he is also scheduled to appear
before the members of the Tuesday
Afternoon club the afternoon of De-
cember 13.

Noted Church Singer

Mrs. Catherine Shank needs no in-
troduction to a Glendale audience.
She is first vice president of the
Glendale Music club and has ap-
peared as soloist at programs given
by that organization and elsewhere.
For many years she was the leading
church singer of Buffalo, N. Y., and
later was in one of the large
churches in Pasadena. She has stud-
ied with Madame Johanna Rubo in
Los Angeles, Senor Jamie Nardo
in New York, and Madame Ada Ardin
in Paris and is one of the most
gifted artists in the state.

Mrs. Hennion Robinson, pianist, is
a composer of considerable note and
is considered one of the finest ensem-
ble players in Los Angeles. For
some time she has acted as accom-
panist for the Lyric club of that
city. Mrs. Hope, who was scheduled
to play at Friday's concert, was
forced to cancel her engagement on
account of a nervous breakdown, and
it was indeed fortunate that so able
and splendid a musician as Mrs. Rob-
inson could be secured.

Here Is Program

The program for the concert Fri-
day includes the following numbers:
"Trio in F Major" (N. W. Gade).
Allegro Animato, Andantino, Allegro
con fuoco, by Mr. Calmon, Mr.
Bright and Mrs. Robinson; cello
solos, "Cantabile" (S. Cui), and
"Tarantelle" (D. Popper) by Mr.
Bright; soprano solo, "Papillon von
Parthenope" (Handel), by Mrs. Cath-
erine Shank; violin solos, "Medita-
tion von Thais" (Massenet), "Ballet
Music Von Rosemunde" (Schubert-
Kreisler), and "Praeludium and Alle-
gro" (Pagnini-Kreisler), by Mr.
Calmon; trio, "Au Bord d'un Ruis-
seau" (Bolsdefre), "Romance" (De-
bussy), and "Finale-Allegro assai
passionate" (Mendelssohn), by Mr.
Calmon, Mr. Bright and Mrs. Rob-
inson.

AUDIENCE MISSED THIS ACT

NEW YORK—The audience in the
borough Park theatre in Brooklyn
Thursday night missed the most dra-
matic act of the evening. Eugene
Steyer, leading the orchestra, sud-
denly slumped and almost fell. An-
other member of the orchestra rose
quickly and caught him.

"Hold me; don't let me fall,"
Steyer whispered.

And so he was held upright for
minute after minute until the end of
the act, and only a few of the spec-
tators in the first row knew that any-
thing unusual had happened.

At the end of the act Steyer was
taken to the Kings County hospital,
where it was found he had suffered
a paralytic stroke, disabling his left
side.

GIRLS JAM BARROOM—BUT

UNIONTOWN, Pa.—So many girls
crowded into the Titlow barroom last
night that it was necessary to close
the doors just as in former wet days
on a big night. The occasion was
different, however, it being the first
meeting of the Goodfellow club, local
young women's organization, which

COMMENT THAT'S ALL

U. S. Has Corn to Burn
How About Yesteryears?
Honored by a "Queen!"
Religious Upbuilding

By Gil A. Cowan

FROM Windom, Minn., comes the news that corn will be used for fuel this winter at the municipal power plant, while many farmers will use the cereal for feeding their furnaces. At 25 cents a bushel corn is said to be cheaper than coal. Yet it seems a shame that there should be food to burn with so many people reported starving.

A northern Illinois paper commenting on the farmers' plight, relates that one of the rural subscribers loaded a wagon full of corn to take to market. His wife said she would send along a crate of twenty-two chickens as she wanted the money for shopping. The load of corn sold for \$14 and the chickens brought \$15.66—\$1.66 more than the greater volume of more common food.

In that there lies an answer to peculiar economic conditions of today. Should you offer a meal of pork and beans, corn pone and coffee to the "starving" beggar who mooches a quarter from passersby, there is every reason to believe such food would not be suitable to his delicate digestive apparatus.

During war times workmen—not soldiers, mind you—developed a taste for beefsteak and chicken and all the frills that is now hard to overcome. While nobody is denying a person all the food necessary for comfortable existence, there are mighty few who can afford beefsteak and pastry many times a week. Instead, their money should be going into banks or building and loan associations or homes of their own or real estate.

Then there will be a day when accumulated wealth will have that earning power enabling the thrifty citizen to enjoy the fruits of his labor. It is said that English society women are discarding cigarettes because that fashion has become bourgeois. It is said by restaurateurs that the meal checks of the wealthy are usually half the sum of those not so fortunate financially.

In 1899 conditions were considerably different than they are today. From a middle western publication of that year the following market quotations were given: Wheat, 65c; new corn and oats, 20c; rye, 40c; clover seed, \$4.50; steers, \$4.50; hogs, \$3.50; eggs, 14c; butter, 18c; lard, 7c; and potatoes 25c a bushel.

A person then could have eggs, potatoes, bread and butter for breakfast and the actual cost would not be more than 5 cents. Such prime dishes as fried corn meal mush, mush and milk, home made potato chips, baked and fried ham and other equally "licking good" food, which was then in style, now costs 50 cents a whiff.

But who wants to bring back the yesterdays with the "one horse shay," magic lanterns and dollar a day wages.

Glendale was honored by the presence of a "queen" last night.

Betty Blythe, who plays the title role in "The Queen of Sheba," a stupendous film spectacle now at the Glendale Theatre, was present in person. And let it be said that—

Miss Blythe would rather wear clothes like her neighbors than dress like a Hottentot or Egyptian.

She would rather live in Southern California and enjoy home life and happiness and climate than to appear every night on Broadway, New York.

Her audience was told by the film "queen" that she was raised right here in this vicinity; that her artistic triumph had been accomplished here and she was more than glad to have the applause of Glendale people—her neighbors.

Now that the Presbyterian church drive for building funds is well under way the Congregationalists come forth with the word that they will complete their campaign for \$60,000 to erect a new edifice on their present site.

The Catholic church is completed, the Central Lutheran church is under way. Great strides certainly are being accomplished in the religious upbuilding of this city.

Mrs. O. Greenfield's Home Completed by Hjorth Building Co.

The Hjorth Construction company, 224 South Brand boulevard, has just completed a six-room modern duplex house on the corner of Isabel and Wilson streets for Mrs. O. Greenfield, who expresses herself as well satisfied with the work.

Work is now well under way by the Hjorth Construction company on a modern four-room bungalow and garage at 620 Alexander street for Samuel Davis.

Mrs. R. D. Angelica Is Hostess, Bridge Party

Mrs. R. D. Angelica was hostess yesterday to a number of friends at a bridge luncheon party given at her home, 712 North Maryland avenue. Decorations of pink and white chrysanthemums were used. After a delightful two-course luncheon an afternoon of bridge was enjoyed. The guests included Mrs. Ernest Schutze, Mrs. Elmer Kruse, Mrs. Charles Meadows, Mrs. Mame Borders, Mrs. Charles Clifford, Mrs. Fred Freeland, Mrs. E. A. Augustin and the hostess, Mrs. Angelica. High score was made by Mrs. Meadows and Mrs. Borders.

MRS. A. WILLIAMS HOSTESS

Chapter BA, P. E. O., will hold an all-day meeting tomorrow at the home of Mrs. A. M. Williams, 208 South Orange street.

Will Coordinate Efforts to Help Nation's Jobless

To Colonel Arthur Woods, former Police Commissioner of New York City and at the close of the war assistant to the secretary of war, charged with helping to re-establish service men in civil life, has been assigned the complex administrative task of coordinating the efforts and interchanging the ideas of the mayors' emergency committees recommended throughout the country by the president's conference on unemployment.

President Harding described as follows the bureau of which Herbert Hoover, secretary of commerce and chairman of the unemployment conference, named Colonel Woods head: "In order that there may be unity of action by all the forces which may be brought to bear, whether governmental or private, the unemployment conference is establishing an agency in Washington through which appropriate co-ordination can be promoted, and through which reports on progress and suggestions may be given general circulation and co-operation. I trust this agency will be supported in this endeavor."

Thirty-one mayors' committees were formed within four days after the president's appeal.

Learns of Glendale Through Literature on Tournament Float

Literature describing the Tournament of Roses and the first prizes taken by Glendale during the last two years, was responsible for bringing a resident of Detroit into the real estate office of A. J. Lucas, 309 South Brand boulevard, yesterday, to look over property here. The literature was received in Detroit when the thermometer registered two below zero and a land that produced gorgeous roses at that time of the year had a distinct appeal.

The caller also stated that a general exodus of tourists from the middle west, especially from Michigan, was now headed by motor for California, some of them coming to spend the winter, but a greater number coming with the idea of purchasing property and residing in southern California. It was pointed out that only about three cars out of a hundred were destined for other places than Los Angeles.

"And that means if ninety-seven per cent are coming to Los Angeles, Glendale will be visited by the majority of them," says Mr. Lucas.

People Will Have Chance to Select High School Site

The high school site is to be chosen at the same time that the school bonds are voted, according to the intention of the Glendale Union high school board of trustees.

"On account of some differences of opinion regarding the most suitable location of a site," said Dr. H. V. Brown, president of the board, "we have decided that the people's interest will be best safeguarded if all available sites offered are put on the ballot. We are going to request authorization from the public to do this at the mass meeting to be held on Tuesday, November 8."

"Anyone having a suitable site, is requested to advise the board. The necessary qualifications being that it be approximately twenty acres in one unit and that a written option for sixty days accompany the application."

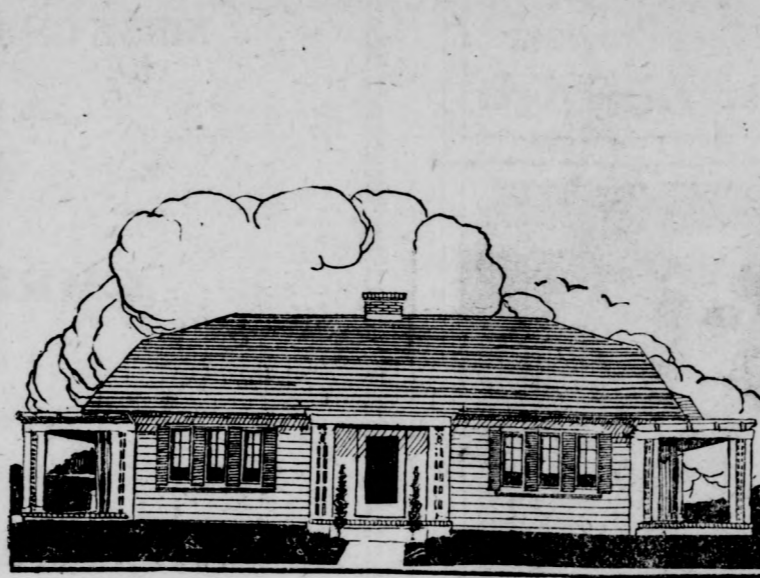

F. W. Harper Gets Letters of Inquiry From Florida People

F. W. Harper of the realty firm of Harper & Craig, 102A East Broadway, states that he has received a number of letters from his former place of residence, Ft. Lauderdale, Florida, and says that many are contemplating coming to this part of the state. The letters received by Mr. Harper are from prominent business men who have heard of Glendale and are inquiring about this part of California.

Ft. Lauderdale is between Miami and Palm Beach, Florida, on the New River, and Glendale has been included on the itinerary of a number of tourists from there.

"Of course, if they come to visit Southern California, it means that they will come to visit Glendale," said Mr. Harper, "and I believe this city will receive some prominent citizens from Ft. Lauderdale."

Conservative Values in Glendale, States L. A. Hart, Realtor

"What impresses me most about Glendale real estate," says L. A. Hart of the Hart Realty company, 113 East Broadway, "is the conservative values at which the property is being put on the market, that is, in comparison with property in nearby cities. The values are conservative from every standpoint and especially so when one considers the advantages of Glendale and the many beautiful features of the place."

"We who live here probably take the beautiful scenery more as a matter of course, but a visitor is quick to realize and appreciate it. A relative of mine who recently came from Oklahoma and is now living in Huntington Park says words are inadequate to express the wonder and beauty of Glendale, and the same is true of all who come from the middle west and the east. Every morning I take a walk and usually go on out on some high spot where I can view Glendale and forget business and enjoy the scenery. I don't think there is any place that can compare with this city and I have always been enthused about it, and perhaps have been a bit too conservative."

"And then again there is a commendable spirit prevailing among the people here, a co-operative spirit which is more or less lacking in the east. It is a live and let live attitude and it is very noticeable to the visitors who call here."

"This spirit is also reflected in the listing of property. With so much property on the market a stranger would perhaps wonder and think there must be some reason for disposing of property here, but it is the spirit of Glendale citizens to let others share in the advantages of the city."

THERE WAS A TIME—

He was the only one of all the wedding guests who did not appear in a happy frame of mind. He only adorned the wall, and looked lugubrious.

"What's the matter?" cried out an exuberant young man. "Haven't you kissed the bride?"

"Not lately," he said with a gulp. "There's no credit in being an optimist when life flows along like a song. Show your mettle by being one just now."

Flags to Replace Police Clubs In New Rum Raids

By W. H. ATKINS

Written for International News Service. WASHINGTON, D. C.—Get a new bird's-eye view of dry law enforcement. Picture rum-raiders waving the flag instead of their clubs to subdue law breakers. Imagine law enforcers invading the worst rum holes, still flourishing in a country legally dry, and making the present appeals to patriotism of the wayward.

That's the new idea in checking violators of liquor laws. It's the new method dry law chiefs have decided to give a tryout in obtaining greater law observance. There is a real honest effort by these bosses in matters of rum to let the rule of reason govern. There is less of the fanatical disregard of the rights of citizens at close range, is found to be a man of the broad-gauged type. He's reasonable. Being a man of vision, he believes that more men can be won over to the cause of law enforcement by an appeal to intelligence and patriotism than by tactics which include the searching of hip pockets for flasks of liquor. He believes that red-blooded Americans will listen to one and resent the other. And he now is proceeding upon that theory.

The dry law chief's policy, therefore, is to be educational, and part of his busy weeks hereafter may be occupied in speeches around the country. His utterances will have patriotism for their keynote. As a public speaker Haynes is rated highly. The coming months will find the Ohio oracle in many of the states east of the Mississippi, some of them still suspected of being "wet" strongholds. He will appear frequently before the public.

QUITE SO

The members of the church committee were selecting their purchase. "I don't think this is just the kind of cloth we want," said one. "What is it to be used for?" asked the salesman.

"For covering the church pews," replied the committeeman.

"Oh, I see," mused the salesman. "You want something with a nap on it."

Entertaining Acts on Vaudeville Bill T. D. & L. Theatre

Tomorrow Glendale will have the opportunity of seeing one of the most entertaining vaudeville bills ever assembled by Meiklejohn & Dunn. Every act appearing on this show is worthy of being featured and only attractions from the leading circuits of the world will be part of this wonder show.

Thousands of people have seen and enjoyed "Songs, Bumps and Smiles," the headline act which Wilbur & Lyke are presenting. This act has played in some of the largest theatres in the country and the attractive offering is bound to please all who see it.

The Winter Garden Duo offer a variety of entertainment and their act consists of a "little bit of everything." This pair features their "Stair case dance" and have just completed a tour of the United States on the Orpheum and Pantages circuits.

Winsome Ethel Clayton has a photograph that is quite different from those in which she has been appearing. "Beyond" has for its theme one of the most unusual subjects ever presented on the screen and Miss Clayton's admirers are sure to like this picture.

Charles Ray will be seen tonight for the last times in "A Midnight Bell." "Wet and Warner" is the comedy completing the bill.

YEA, BO!

She was a pretty and ambitious girl and had studied the matrimonial problem to a nicety. "Yes, I suppose I shall wed eventually," she said, "but the only kind of masculine nuisance that will suit me must be tall and dark, with classical features. He must be brave, yet gentle. Withal he must be strong—a lion among men, but a knight among ladies."

That evening a bowlegged, lath-framed youth, wearing checked trousers and smoking a cigarette that smoked worse than a burning boot, rattled on the back door, and the girl knocked four tumblers and a cut glass fruit dish off the sideboard in her haste to get to him.

Wealthy women in France use extra dry champagne as a shampoo in order to produce reddish brown hair, in which there are bright golden shadings.

THAT WASN'T HER NAME
Student—"Sir, I want permission to be away three days after the end of vacation."
Dean—"Ah! you want three more days of grace?"
Student—"No; three more days of Gertrude."

If you had no difficulties to triumph over you would have no triumph. Make this thought part of your mental equipment.
It's when a girl thinks a man doesn't care for her that she begins to try to make him.

NEW BUILDING FOR CONGREGATIONAL CHURCH VOTED

Congregation Decides to Go Ahead Immediately; Sum of \$25,000 Pledged

(Continued from Page 1)
chairman that it was thought the result would be a complete church plant in every respect sufficient to meet the requirements for some time.

While no attempt to raise subscriptions for building the church were made last night, yet the members present subscribed \$3,500 for the fund, it is announced by Rev. Calderwood, and Thomas White of the building committee states that about \$25,000 has already been secured in pledges.

The meeting was very cordial and enthusiastic and at the conclusion of the banquet when the business of the evening was taken up a general discussion was held, after which the unanimous vote resulted in favor of building the church.

It was stated in the report of the building committee last night that the need for increased facilities in order to meet properly the demands of the situation had been urgent for several years and it was felt that now was the opportune time for securing these facilities.

The church was established in 1911 under the leadership of Dr. E. H. Willisford and through his earnest endeavors and that of his successor, Rev. Charles M. Calderwood, the institution has reached a point where a new and more commodious building is essential.

Building Activities Will Continue, Says J. C. May; Tells Why

"Yes, sir, the building activity of Glendale sets a record, and it's going to continue," mused J. C. May, contractor, 205 East Broadway, as he pondered over a set of plans. "And I'll tell you why I think so. According to the report of Secretary Herbert Hoover, there is now a shortage of 1,200,000 houses in the United States. Now, if California gets only its proportionate share, the building activity would continue, but you must consider the great number of people coming here now and the great number that is contemplating coming here to live, which means that the demand for houses in California is going to be troubled at least," and Mr. May ran his pencil along the rule. Continuing, he said:

"And when you further consider that of the great number who are coming to California, the majority will visit Los Angeles, and that means a visit to Glendale, which again means purchasing property and owning a home here, you can see why building is so important for the city right now and why it will continue to increase."

Uniform Plan for Use of 'For Sale' Signs Is Discussed

By GLENN D. WILLAMAN
Special to The Glendale Evening News.

OAKLAND, Nov. 3.—Real estate brokers throughout California at their local board meetings are discussing a uniform plan for the handling of real estate "For Sale" signs. Indiscriminate placing of such signs, especially on unimproved residence property, is often seriously detrimental to the property and to the opportunities of the owner for prompt sales at reasonable prices. Too many signs serve as notice to the public that the owner of the property has listed the lot with numerous brokers and is seemingly desperate in an effort to raise ready money and will, therefore, sell at a sacrifice. In many cities, by mutual agreement of realtors, but one sign is permitted on a lot and then only on exclusive sales contract.

California real estate boards in forty cities of the state are taking action favorably on federal and state constitutional amendments reducing the number of tax-free securities, according to the California Real Estate association. This action is endorsed by the national realtors of America on the ground that the \$28,000,000,000 of tax-exempt places an inequitable burden of taxation on the property holders of the land. Through adoption of the amendments the government would be entitled to tax future state bond issues, and the state to levy on federal bonds. Billions of dollars that is needed to supply the 1,500,000 homes demanded by home seekers in America, and to furnish the finances for easing up the industrial restriction, with widespread unemployment, will be available for circulation in industrial channels after the state and nation reduce materially the enormous number of tax-clear securities. The foregoing amendments will come before the California real estate convention in Oakland for action January 19-21, 1922.

J. R. Ross Is Buyer of Nine Acres for \$19,000 to Subdivide

J. R. Ross of Nashville, Tenn., has purchased through the Kelly & Van Arsdol real estate firm, 106 West Colorado street, nine acres on North Pacific avenue for \$19,000. Mr. Ross intends to subdivide the property into lots and begin to build residences as soon as possible. He announces that he has a unique method for selling this property which will be made known later on.

In the opinion of Mr. Ross, the northwest section of Glendale is the location for a great growth and he predicts that part of the city will be thickly populated in the next three years.

W. B. Kelly of the firm of Kelly & Van Arsdol has the following to say concerning the northwest part of Glendale: "I am backing the judgment of Mr. Ross, as I believe that part of the city will see a further remarkable growth soon. I have some excellent acres still left open there for subdivision."

Our best intentions are carried out by those who find them after we drop them dead.

Ex-Kaiser Is Tabooed by Royalists; Shade of Bismarck Appears

BERLIN—The shade of Bismarck has risen from his grave to give the blow to the last hopes of Kaiser Wilhelm. The third volume of Bismarck's memoirs, which relentlessly portrays the vanity, egotism and incapability of his royal master to guide the affairs of the German nation, is without doubt Germany's best seller in royalist circles.

The creator of the Deutsches Reich, Prince Bismarck, is a combined Washington and Lincoln in the hearts of the German people; his glorification in monument and memorial is to be found in every German city. He is the foremost of all the prophets of German monarchism. Kaiser Wilhelm's mistreatment of and ingratitude toward the man to whom he owed his throne has cost the allegiance of the last royalist who remained loyal to the refugee in Doorn. The stories in the third volume of the memoirs of how Bismarck wasn't given enough time to pack up his things to move out of his state palace before his successor moved in, of how he was docked part of his last month's pay because his resignation bore a previous date, are the subject of conversation in the standpat circles who were determined to stick to their Herr through thick and thin.

But, especially in these circles, there is one man greater than the wearer of the imperial crown; that is the man who welded the empire together. His stirring indictment against Wilhelm II. has made it heresy in royalist society to champion the Kaiser.

Even the strongly royalist Taeghe Rundschau tells its readers Germany must pay the price for the blunders of Wilhelm. If the book had only come out years ago it would have saved Germany from its present misery, declares the editor.

CROSSES CHANNEL ON BIKE

PARIS—Harold Bigby, an English motor engineer, has just crossed the English channel, from Folkestone to Calais on a bicycle fitted on two large floats with a propeller on the fore part of the machine driven by a rod which in turn was operated by the pedals. The rider said that he covered just thirty miles in a little more than twelve hours. Mr. Bigby was accompanied by a motorboat on the trip. Describing his ride, he said:

"A strong sea was running and a southwest wind blowing but I was much better off than those in the boat for the cycle rode the waves better. For three hours I was seasick and I couldn't be fed as the waves prevented the boat from getting close enough to me. Once I was almost washed off my seat and frequently I was covered in water up to the saddle of my machine."

The number of stars that can be seen by a person of average eyesight is only about 7,000. The number visible through a telescope is from 70,000 to 100,000.

BUY AMERICAN PRODUCTS

WOOSTER, Ohio—Adapt the slogan "Buy American Goods," is the advice contained in a communication sent to President Harding's unemployment conference at Washington by the Toykraft company of this city. "If every American home would buy American goods our unemployed would have a full day's work," reads the communication addressed to Secretary of Commerce Hoover. "No country can expect prosperity when merchants are throwing out propaganda that German-made goods are in demand."

NO ARGUMENT THERE

The Critic—"There's one thing I can't understand about your class." Manager—"What's that?" "You call a performer an 'artist'." "Well, why not?" "An artist is a person who draws." "You said a mouthful."

AH YES, SHERLOCK!

"The evidence seems to show," said the detective, "that the thief wore rubbers and walked backward." "Then we must look out for a man with receding gums," remarked the wag of the force.

SAGE TEA KEEPS YOUR HAIR DARK

When Mixed With Sulphur It Brings
Back Its Beautiful Lustre
at Once

Gray hair, however handsome, de-
notes advancing age. We all know
the advantages of a youthful appear-
ance. Your hair is your charm. It
makes or mars the face. When it
fades, turns gray and looks streaked
just a few applications of Sage Tea
and Sulphur Compound enhances its
appearance a hundred-fold.

Don't stay gray! Look young!
Either prepare the recipe at home or
get from any drug store a bottle of
"Wyeth's Sage and Sulphur Com-
pound," which is merely the old-time
recipe improved by the addition of
other ingredients. Thousands of
folks recommend this ready-to-use
preparation, because it darkens the
hair beautifully, besides, no one can
possibly tell, as it darkens so nat-
urally and evenly. You moisten a
sponge or soft brush with it, drawing
this through the hair, taking one
small strand at a time. By morning
the gray hair disappears; after an-
other application or two, its natural
color is restored and it becomes
thick, glossy and lustrous, and you
appear years younger.—Advertise-

Fights for Mrs. Obenchain

LOS ANGELES, Nov. 3.—Pyro-
technics came thick and fast in the J.
Belton Kennedy murder case, imme-
diately following the formal admis-
sion of Attorney Charles Erbstein of
Chicago, to practice in Superior
Judge Reeve's court, as counsel for
Mrs. Madalene Obenchain. Attor-
ney Erbstein immediately offered a
motion that the indictment against
Mrs. Obenchain be dismissed on the
ground that she had not been
brought to trial within sixty days
after her arraignment, as required
by law. Judge Reeve set Friday af-
ternoon for hearing arguments on the
motion.

Attorney Erbstein thereupon
served notice on the court that if the
motion was denied he would at once
demand Mrs. Obenchain's release on
bail, and in order to lay a foundation
for such a move would call her to the
stand to tell of what she knew of
Kennedy's slaying. Thus it becomes
possible that Mrs. Obenchain, in-
stead of Arthur C. Burch, jointly
indicted with her for the murder,
may be the first to tell in court the
story of the slaying.

It was reported that the state will
combat Attorney Erbstein's move by
claiming that when Mrs. Obenchain
yesterday asked the court to set a
date for her trial she thereby waived
her rights under the sixty-day rule
on which the motion for dismissal of
the indictment was based. If Judge
Reeve grants the motion to dismiss
the indictment, the prosecution will
not thereby be barred from going be-
fore the grand jury and obtaining a
new indictment, it was stated.

San Diego Board Ousted

SAN DIEGO, Nov. 3.—The county
board of assessor's appraisers was re-
moved from office by ruling of Su-
perior Judge Edgar Luce, who held
that their appointment was made un-
der an unconstitutional state law,
which "attempts to delegate the
power of the legislature to the su-
pervisors in the matter of creating
public offices."

The members of the board, Ralph
Rohrer, H. H. Smelser and James A.
Jasper, were appointed several
months ago to serve at \$10 a day in
reappraising the entire county. They
have been fought by the San Diego
Tax association, today's ouster rul-
ing resulting.

Boys to Get in Free

SAN DIEGO, Nov. 3.—All San
Diego boys 12 years old and under
will hereafter be admitted free to
ball games and athletic contests in
San Diego's municipal stadium,
which seats 40,000 people.

Boy Scouts of America executives,
who made the arrangements with the
city officials, hope to see the move-
ment for free games for grammar
school lads extended to all parts of
the country, in the interests of clean
sport and removal of temptation to
steal their way in by youngsters who
have not spending money. Boy
Scouts in uniform will act as ushers
and patrols in the sections of the
stadium given to the boys.

Report of Fruit Exchange

LOS ANGELES, Nov. 3.—Accord-
ing to figures made public in the an-
nual report of C. Harold Powell,
general manager of the California
Fruit Growers' Exchange, California
supplied the American eating house
with 22,000,000 boxes of oranges and
4,718,800 boxes of lemons dur-
ing the year ending October 31. The
financial return to the state was \$83,
537,344.

This is the largest citrus crop ever
produced in California and in hand-
ling it Mr. Powell states that co-op-
erative marketing moved the bumper
yield "in the face of conditions that
proved disastrous to the sale of prac-
tically all staple agricultural crops."

The report says 43,592 carloads of
fruit were sold for the 10,500 grower
members of the Exchange at a cost
of 7.03 cents per box, or less than it
cost to market the fruit ten years
ago.

Mr. Powell's report gave credit to
national advertising as one of the
chief factors that contributed to the
success of the citrus growers' mar-
keting organization.

Woman Hangs Self

LONG BEACH, Nov. 3.—Mrs.
Nellie E. Cline, 47, who recently re-
moved here from Denver, ended her
life today by hanging herself from
the rafters of a garage at the rear
of her home. Members of her fam-
ily said she had been suffering from
ill health.

Resume Work in Oil Fields

BAKERSFIELD, Nov. 3.—Work
was resumed today in all of the oil
fields of the Bakersfield district,
where production has been stopped
for the past seven weeks be-
cause of a strike of oil workers.

The strike was officially called off
late last night after the Kern river
local voted to return to work. All
other locals had voted to return to
work the day before.

The vote was taken after Secretary
of Labor Davis had urged the men to
call off the strike.

Every lease office in the northern
fields was filled with men today who
sought their former positions.

The companies state that they have
reserved the right to open shop con-
ditions.

Land Is Distributed to Poor Mexicans

MEXICO CITY, Mex.—Distribution
of land among the poor of Mexico
is continuing on a large scale. In
one week land was allotted to the
residents of forty-eight villages.

More than 250,000 acres of land
have been distributed in Yucatan
since May. This creation of small
land owners is expected to have the
effect of reducing disorder in that
state, which has been distracted for
a long time by radical and socialist
agitators.

President Obregon has ordered the
establishment of additional farming
colonies made up of former soldiers.
These colonies are said to be meet-
ing with great success.

ment by Miss Carol Duncan, district

gational church will be held a

Million Dollar Loss to Sugar Beet Plant of Los Alamitos Co.

SANTA ANA, Nov. 3.—Fire of un-
certain origin today swept through
the sugar warehouse of the Los Ala-
mitos Sugar company's refinery near
here, destroying 175,000 sacks of su-
gar of 100 pounds each and resulting
in a loss estimated at \$1,000,000,
which is said to be covered by insur-
ance.

Three hours after discovery of the
blaze, employees of the plant, which
is the largest beet sugar refinery in
southern California, had the fire un-
der control. Fire apparatus from
Long Beach, Artesia and Whittier
had been sent to aid in the fight.

For a time the flames threatened
buildings adjoining the warehouse
and members of the company's fire
brigade centered their activity in pre-
venting a spread of the flames.

Approximately 350 employees of
the plant were at work when the fire
was discovered. No one was injured.

County School Head Must Approve Plans for All Buildings

"All plans adopted by school
boards for buildings must be ap-
proved by the county superintendent
of schools," stated Richardson D.
White, local superintendent of
schools, this morning. "So far he
has failed to O. K. any plans unless
made by a licensed architect."

The grammar school board of
trustees has not formulated any defi-
nite specifications in regard to the
new building program, according to
Mr. White, who said that it would
not do so until after the selection of
an architect, in order to get the
benefit of his advice and suggestions.

By appointment, every other Tues-
day night the board is conferring
with architects. George M. Lindsey,
127 West Broadway, explained his
qualifications last Tuesday night.
Mott M. Marston of Los Angeles, and
Robert Orr of Weeks & Orr, Los An-
geles, and R. G. Montgomery of
Montgomery & Nibeker, Los An-
geles were also present.

Exclusive Property Is Placed Upon Market by Edwards & Wildey

The Edwards & Wildey company
has added another subdivision to its
string of six which it has successfully
handled in the past two years, and
now offers a very high grade propo-
sition.

The lots are higher in price, but
they are located in a more exclusive
residence section and carry good re-
strictions so as to preserve a uniform-
ity in the building which will suit the
plans of the most particular people.

It is only a small tract of twenty
lots located on Randolph and Stocker
streets, two blocks east of Brand, so
it is expected that the lots will be on
the market for only a few days.

Messrs. Hayward, McCartney and
MacMullin are urging their friends
to make the first reservations in this
attractive plot.

MRS. WOODS' IS HOSTESS

Mrs. Nanno Woods of 122 West
Milford street entertained the pupils
of her Wednesday night dancing class
at her home last night. There were
twenty-one people present. Dancing,
social intercourse and refreshments
were enjoyed.
